▶ Agency Fee for Tulsa Area Adoptions Plus 100 hours of Volunteer Service (explained in separate sheet)	4000.00
▶ Attorney's fee (could be a little more or less, depending on difficulty in getting birth father's consent) (This fee is billed by and paid directly to our attorney.)	3500.00
▶ Home Study Fee (if using one of our social workers, and paid to that worker directly.) <i>If you already have a home study done by a licensed social worker, we will be happy to use that study.</i>	500.00
▶ Any medical or hospital costs not covered by Medicaid or girl's insurance (could range from nothing to a few hundred dollars)	Variable

The first half of the Agency Fee is payable when a girl chooses you.
The second half is due 2 weeks before the baby's due date.

If a birth mother should change her mind, this money will be applied to your next adoption.

Your adoption will not be finalized until your Agency Fee and your fees to the attorney are completely paid.
